

(The proceedings will be submitted to IEEE)

April 4-6, 2017 – Irbid, Jordan

The International Conference on Information and Communication Systems (ICICS 2017) is a forum for scientists, engineers, and practitioners to present their latest research results, ideas, developments, and applications in all areas of Computer and Information Sciences. The topics that will be covered in the ICICS 2017 include, but are not limited to: Artificial Intelligence, Mobile Computing, Networking, Information Security and Cryptography, Intrusion Detection and Computer Forensics, Web Content Mining, Bioinformatics and IT Applications, Database Technology, Systems Integration, Information Systems Analysis and Specification, Communications, and Human-Computer Interaction.

Researchers are encouraged to submit original research contributions to the following major topics, which include, but not limited to:

- Cloud, Parallel, Distributed and High Performance Computing
- IR, Big Data, Business Intelligence, & Knowledge Management
- Multimedia, Computer Vision and Image Processing
- Advances in Software Engineering
- Advances in AI, Agent Systems and Ambient Intelligence
- Computer Architecture, VLSI, Embedded Systems and Robots
- Systems and Software Security
- Social and Mobile Computing
- Natural Language Processing and Applications
- Networking, Communications, Sensor Networks and Mobile Computing
- Advances in Web Technologies, Semantics and Future Internet (FI)
- Digital Living including E-Learning, E-Government, E-Health

Prospective authors are invited to submit full papers following the guideline posted on the conference website <http://www.icics.info/icics2017/>. Submitted papers will be peer-reviewed (check review process in the conference website), and prospective authors are expected to present their papers at the conference (IEEE no show policy will be applied). The papers that are accepted and presented at the conference will appear in CD proceedings, the proceedings will be submitted to IEEE. Best paper will be selected by peer reviews and will be announced during the social event at the conference. Submission web page is <https://easychair.org/conferences/?conf=icics2017>.

Extended version of the selected papers will be published in well-known Journals, [check the website](#):
